All of our boxes come STANDARD with 3/8 I.O. 1-1/2 O.D. washers laminated into the legs to simplify the installation. By running a 3/8" bolt through them to mount.

Or we can laminate in studded plates, with 3/8" all thread welded on. So our boxes remain a secondary containment field. (For additional cost.)

Laminated in 1/8" or less plate
with 3/8's Allthread welded on
for mounting reasons 6.5"
apart on center.
You tell me the length??

B-8D-S

B-4D-D

PLATE

3/16" plate with 3/8" stud's welded on and laminated in with threads protruding out side of box. It give's the option of mounting it flush or adding Z bar brackets to raise it up to meet with your own jigged holes.
